

I AM HERE TO LEAD

Leadership Definition

Leadership is the capacity to influence others through inspiration generated by a passion motivated by a vision birth by a conviction produced by a purpose. *(Dr. Myles Munroe)*

STANDARDS

BELIEFS

STRATEGIES

Law Of Leadership

Constant and
never-ending
improvement

Three Major Daily Question

1. What have I learned today
2. What have I improved
3. What have I enjoyed

Our Product

1. Mobility – extend, travel, move not stuck in one place
2. Viability – contend, compete, defend overcome obstacles and stand against hostility
3. Adaptability – amend, different , adjust to different taste
4. Superiority - must transcend and take over, enter new market.

Conclusion

1. Climbing or sliding
2. Success in life be measured by our fulfilment
